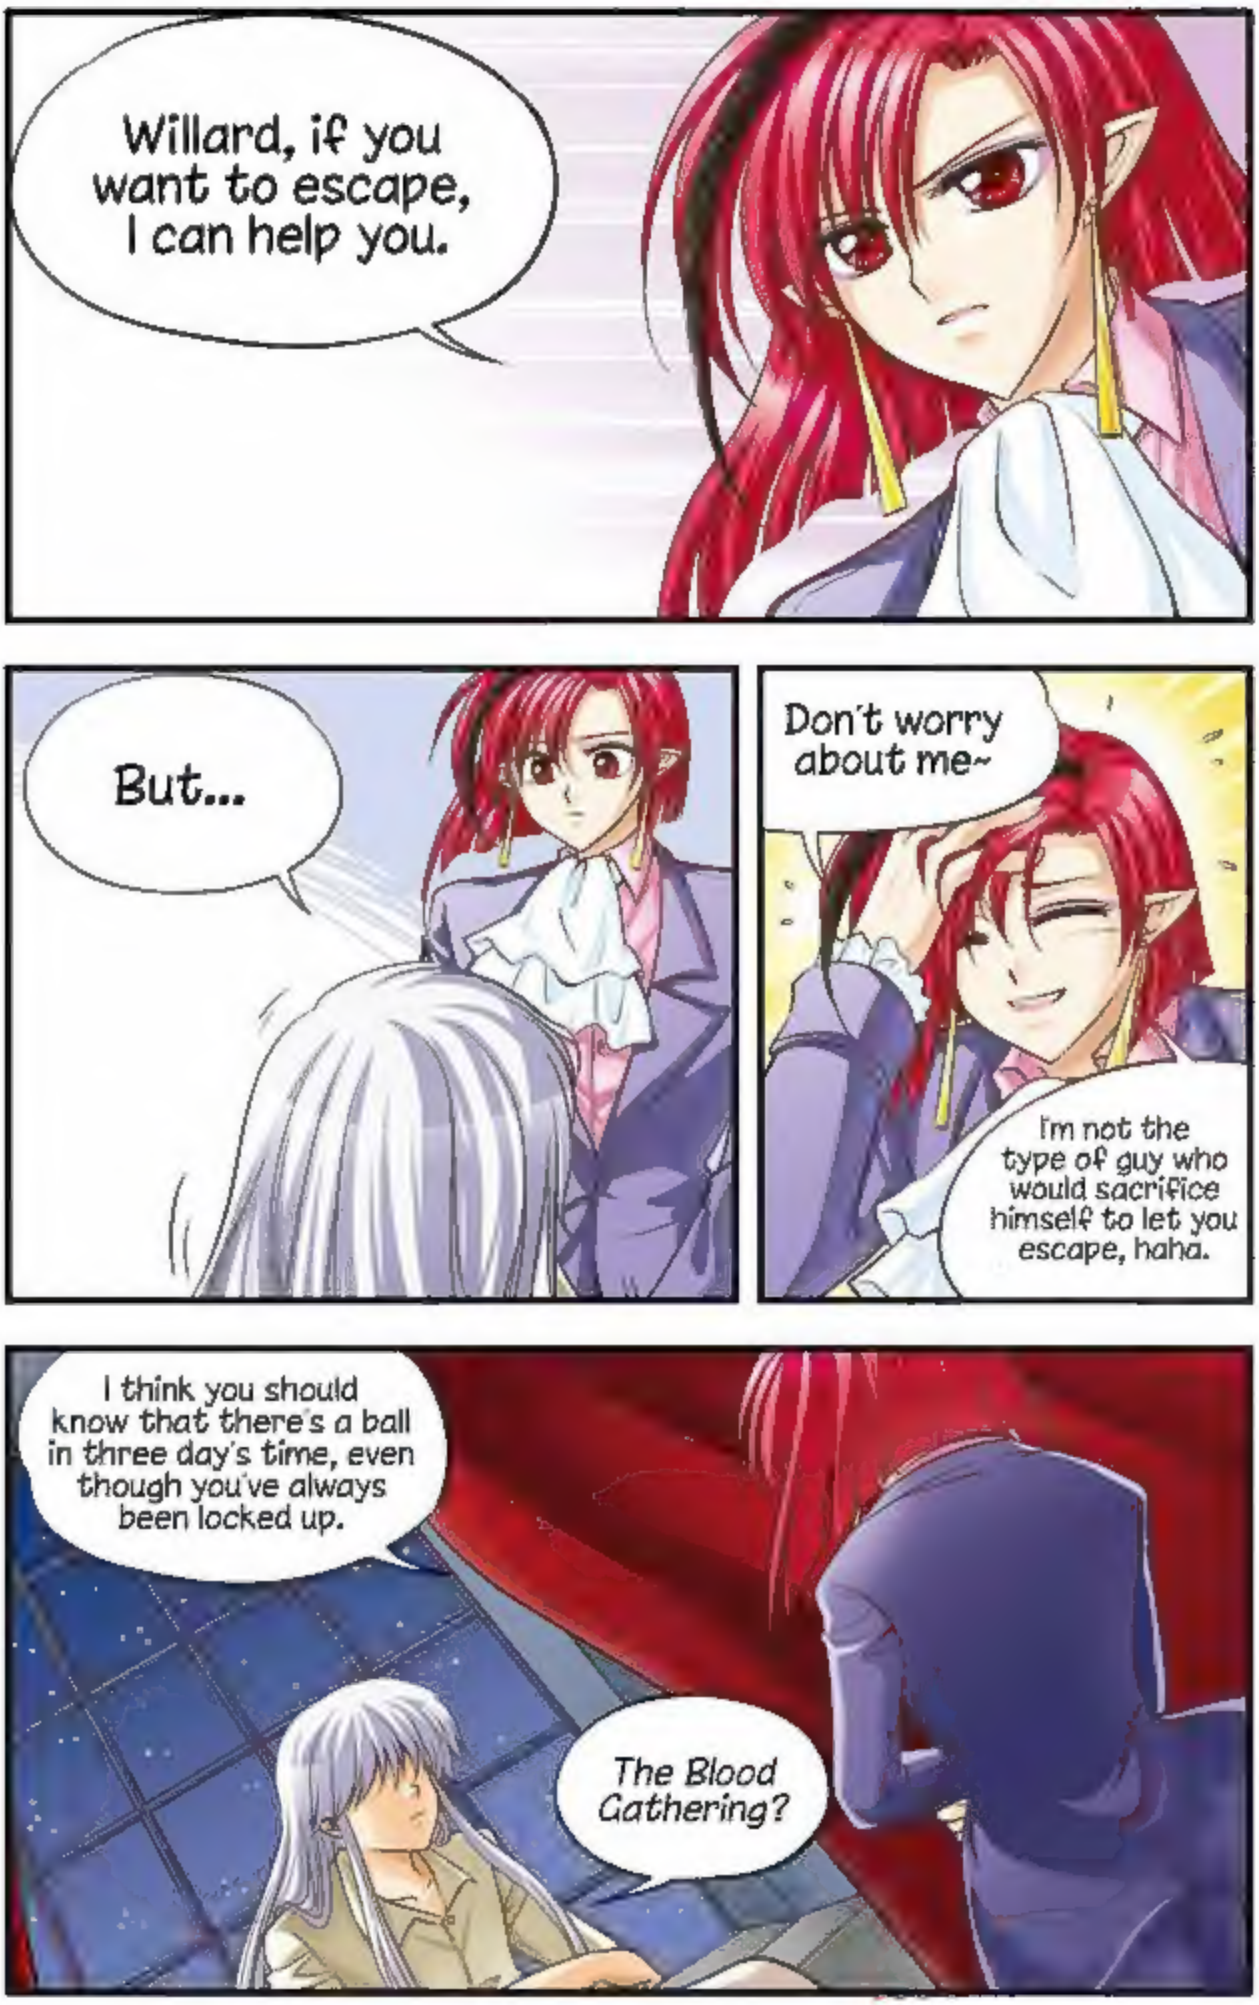
Chapter 14
A SUCCESSFUL ESCAPE



Willard, if you want to escape, I can help you.
But...
Don't worry about me~
I'm not the type of guy who would sacrifice himself to let you escape, haha.
I think you should know that there's a ball in three day's time, even though you've always been locked up.
The Blood Gathering?

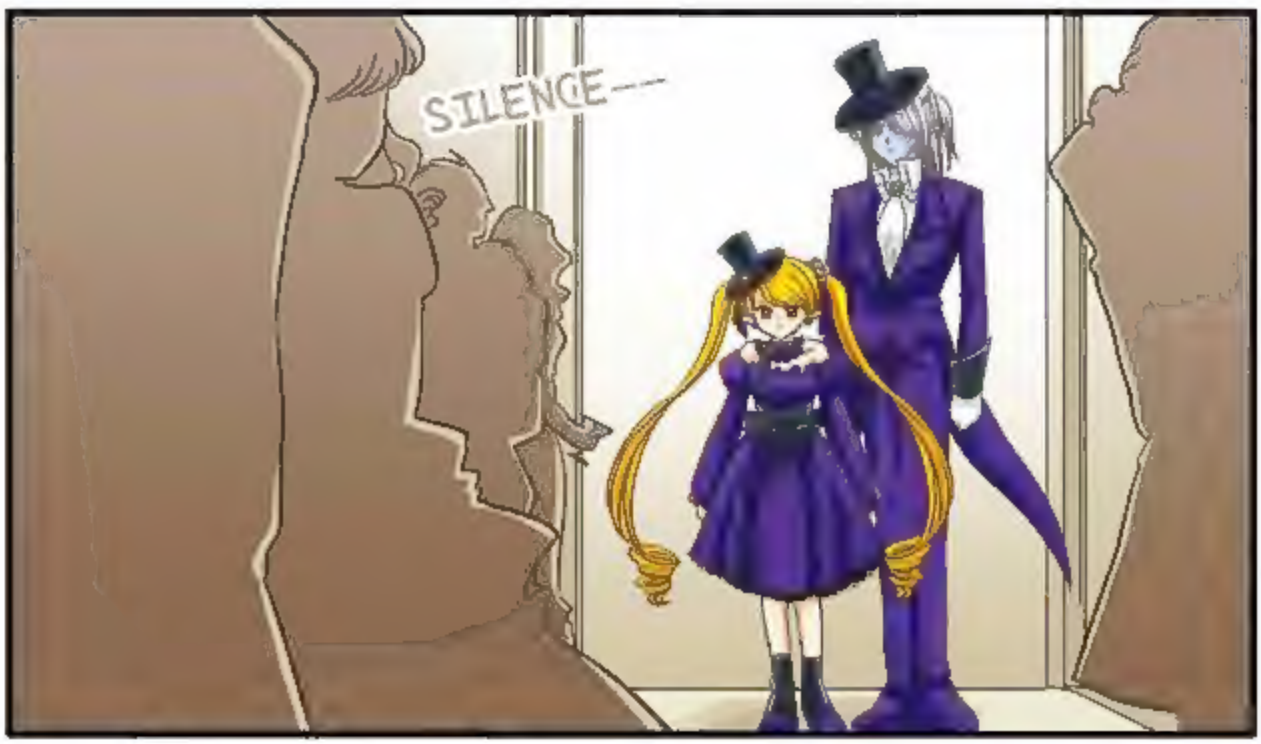
That's right, but you're still imprisoned so you can't attend the dance this time.
That kind of dance– I wouldn't attend even if I could...

PR/N: Decennial means once every 10 years.

The Blood Gathering is a decennial ball held by the Vampire Clans.
Every single member from the Clans, including the Vampire King, will participate in the ball...

To not have various "delicacies" at such an extravagant dance just would not do...
The full extent of the avarice, immorality and desires of the Clans will be on display...
闪亮~
闪亮~
SFX: SPARKLE
I really can't stand that feeling!
Not being able to participate, isn't that wonderful timing~
You're not thinking of...
Correct!

LADIES AND GENTLEMEN,
LET US TOAST TO THIS JOYOUS OCCASION, LONG LIVE THE KING!



SILENCE——

Look, isn't that Countess Willette Alucard?
After what her "brother" did, she's still shameless enough to appear...
That half-vampire actually gave half of the seed the Duke passed on to a human!
CHATTER
CHATTER
I heard that the Duchess fell ill out of sheer anger and couldn't attend this ball!
Vampires getting sick, that's really unheard of, hehehe...
Clan Alucard is done for.
Hmph
Countess Lilina, long time no see, you're as radiant and eye-catching as ever!

Marquis Willus, long time no see~
HEHE~
Shall we dance?

Oh, about that half-breed baron you care so much about? He isn't attending the ball this time around.
What do you want to say?
Such a cold response, Lilina. We were once on intimate terms, you know.
Don't use such a disgusting tone! We were simply in a mutually beneficial relationship, nothing more! You'd better not meddle in my affairs now!
HEHE...
Ah, what a scary expression.
I was just giving some advice out of the goodness of my own heart... All those unnecessary things you've been doing, if you anger someone high up, the consequences could be quite severe.

Unnecessary or not, it's not up to you to decide, what you're doing seems more unnecessary-
If that's the case, I have nothing to say then.
Ah, right, isn't that Viscount Heidi Stern?
Please excuse me.
I can't lower my guard around this bastard...

Suoni, be careful!
Yes, mistress.
rattle
Damn, these clothes look awful...
CRASH~
AHHH!

PULL
Master Willard, please enjoy.
SLAM!
You are... Lilina's familiar?

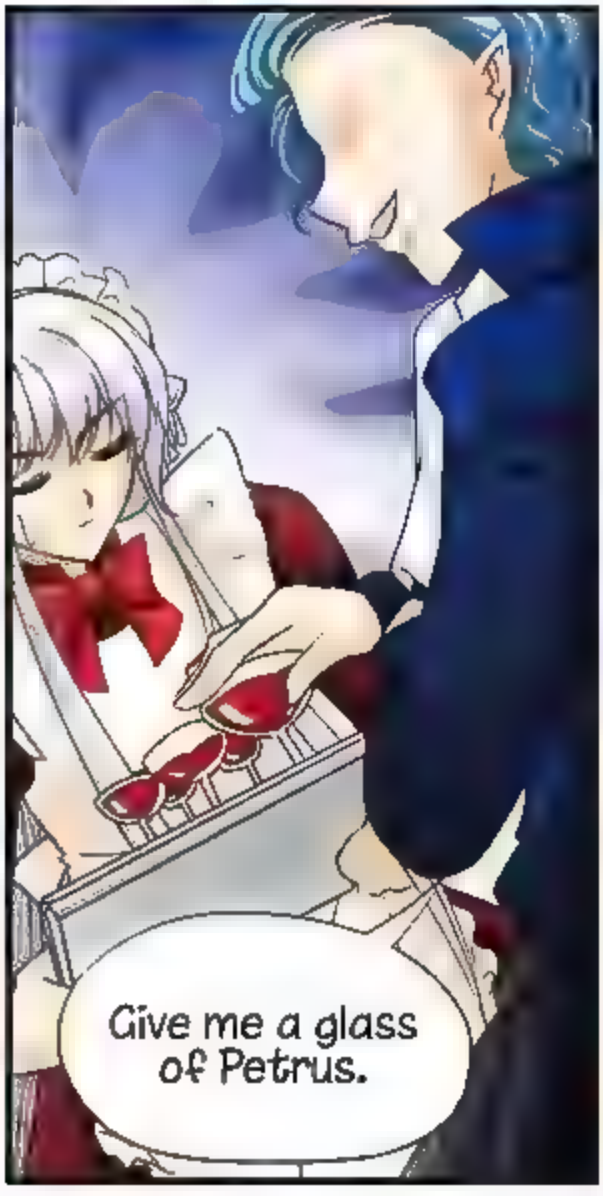
Master Willard, my name is Suoni, I've come to rescue you.
AH!!! THE BARON'S GONE!
PA—
MOON-REFLECTING WATER MIRROR!

URGH?!
FLOAT~
POP!
These chains have sealed your powers. Sorry, but you can't escape.

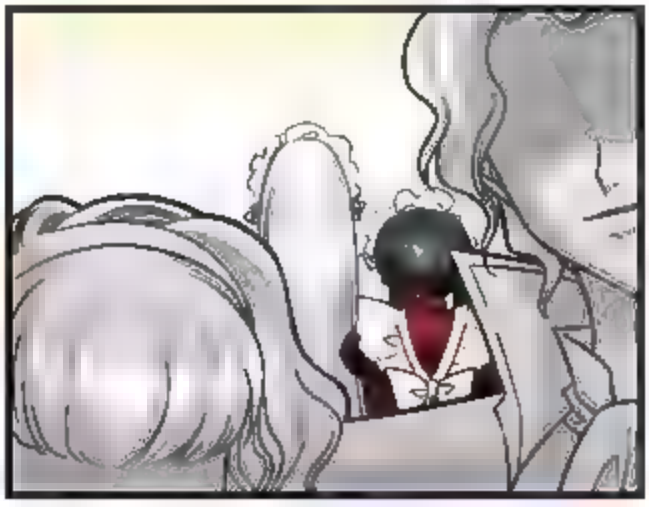
So...
My lord, in order to disguise yourself, I must ask you to wear these...
MAID UNIFORM
Alright...
We've removed the chains and now need to leave the castle, but the only way out is through the delivery room, which is heavily guarded...
How do we pass through safely?
We're going to the bell tower, not the delivery room.

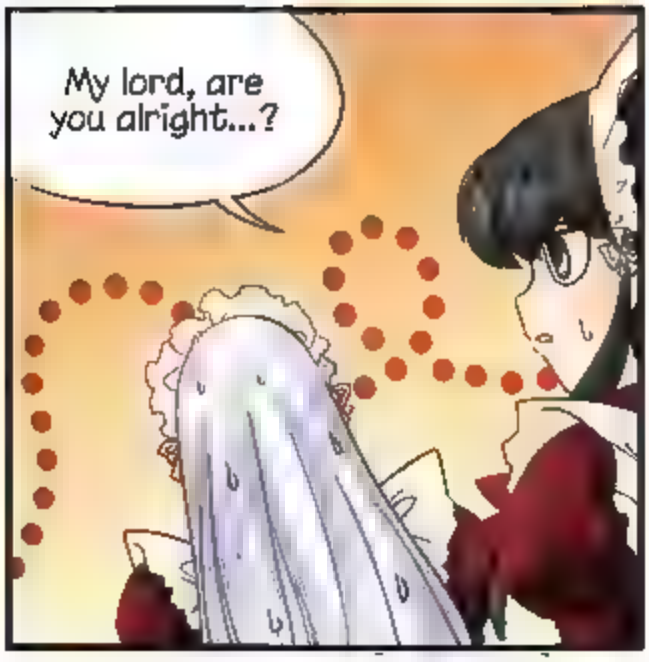
My magic is not powerful enough to take you anywhere else, so we can only go there...
STOP!

QUIET!
QUIET!
QUIET!
THUMP THUMP
THUMP...



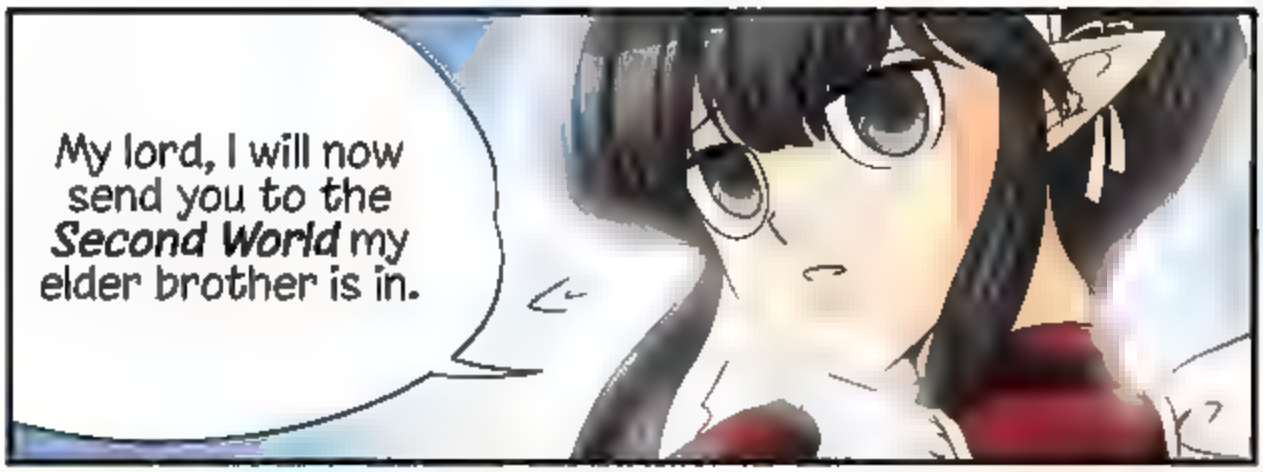
Give me a glass of Petrus.





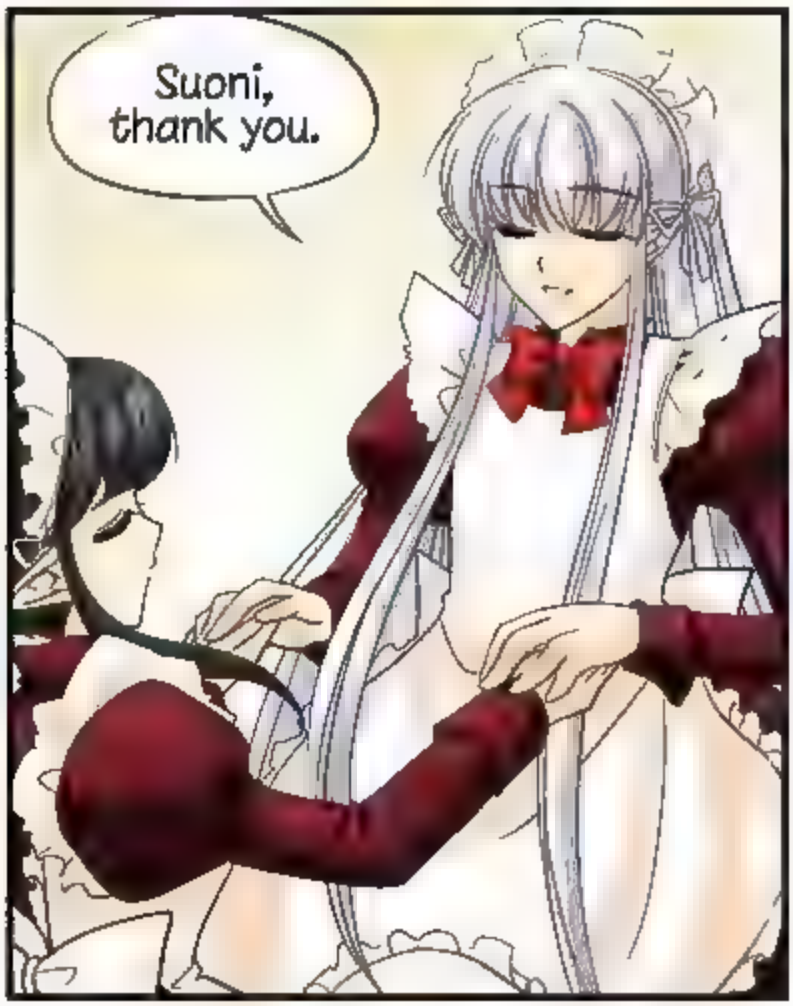
My lord, are you alright...?

Drip
Drip
This is it...
The most magically dense place in the castle...
CLANK CLANK CLANK
CLANK CLANK

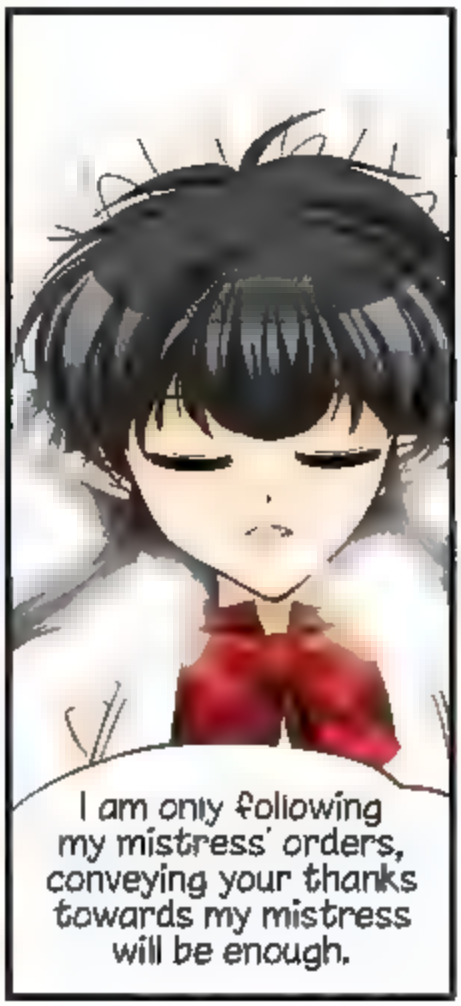


My lord, I will now send you to the *Second World* my elder brother is in.

Please hold my hands and close your eyes.



Suoni, thank you.

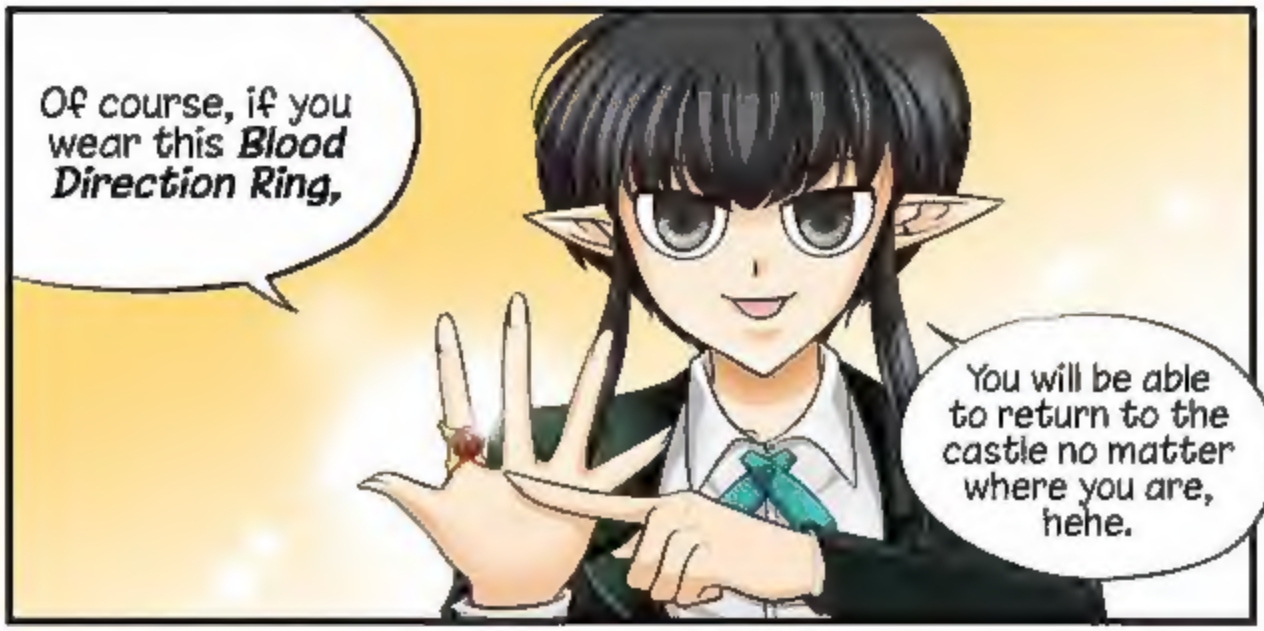


I am only following my mistress' orders, conveying your thanks towards my mistress will be enough.

HU
HU
HU

Hehe, congratulations on your successful escape, Baron!
MASTER!
I'm Will, Suoni's elder brother.

Here are your clothes...
Sha~
I believe this is your first time using an *irregularity* as a means of entering the Second World,
This can only lead to the **First World**– that being the **Human World**– but you cannot return to the Vampire Castle.



Of course, if you wear this **Blood Direction Ring,**
You will be able to return to the castle no matter where you are, hehe.

I won't go back!

Looks like you're determined, hehe.
Hmph, saying something like that, seems to me that you'll never be able to return, even if you wanted to!

If so, let me explain to you how to reach the First World, hehe.
POINT
Please look up at that...

That's... the moon?
You can also say that it is the Sun.
Every thirteen days, a total eclipse occurs, and when the eclipse begins, that is the time when the gate to the First World opens.
When the Sun disappears completely?
Hehe~ Correct. In fact, the next eclipse will happen today!
